- Did you know that operating any kind of vehicle while intoxicated is one of the leading causes of vehicular deaths? Driving drunk or high is dangerous, illegal, and can cause fatalities. In Canada, it is believed that most who drive impaired are young adults between the ages of 16 to 25 years of age. This week Ontario Students against Impaired and Distracted driving (OSAID) will be asking you to consider the possible consequences of your future actions. A good time can easily turn into a terrible tragedy whenever impaired or distracted driving is involved. This week OSAID is asking you to think before you act to save your life, or the life of someone you love.

- Track and field athletes are reminded of our practice today after school. Meet in resource room, dressed to practice.

- Hey Grads! There are only 5 days left to submit your preschool photo to the yearbook team to be included with your grad pic. The image must be digital. It is your choice what image you submit but all images are subject to approval. If no image is provided, your grade 9 or 10 image may be used. The deadline is this Friday, May 17th! Don't delay! Please see your Grad NCVLE for info or Mr. Murray if you have any questions.
