COVID-19 INFORMATION

STUDENT HANDBOOK EXPECTATIONS

Students should be familiar with the Student Agenda, which contain the school rules and a calendar of events and important dates.

COVID-19 INFORMATION

The COVID-19 pandemic has impacted the lives of students by displacing regular routines, and removing extracurricular opportunities such as sports, clubs and other social activities.

With an accelerated vaccination program that includes students aged 12 to 17 and with cautious optimism, there is hope for a return to a more normal 2021-22 school year.

Health advice continues to evolve and the Ministry of Education will continue to be guided by health expertise, with the foremost commitment to protecting the health, safety, and well-being of students. COVID Health and safety protocols will continue to be implemented with the advice of public health and the Ministry of Labour. These protocols include guidance on cleaning, hand sanitization, physical distancing, HVAC & air quality upgrades and the use of personal protective equipment in schools by all employees and students.

Niagara Catholic will provide updated information about COVID-19 and our schools on our website as necessary this school year. Families always receive an email when new information has been added, and you are encouraged to check our website often for updates.

Although the data has shown that our schools are very safe for in-person learning, parents and students will have a virtual option for 2021-22. Virtual students will be integrated into classes synchronously at their home school with in-person peers, so there will be no separate virtual secondary school. This model where in-person and virtual learners are integrated in the same classroom using technology is called the "Hybrid Model" of teaching.

Synchronous Learning Checklist for Students and Parents/Guardians

Parents/guardians must use discretion while supervising students engaging in synchronous learning sessions with staff and other students. Synchronous learning ranges from a number of real-time, interactive platforms available for staff ranging from Google Meet/Hangout and Virtual Classroom in the Niagara Catholic Virtual Learning Environment, e-mails, phone calls, audio and video conferencing, all of which are interactive, in real-time.

COVID-19 INFORMATION

Please use the following checklists to assist your child in preparing for synchronous learning sessions.

BEFORE a synchronous learning session...

- Students are to be prepared for the session in advance of the scheduled start time.
- Students must dress appropriately as they may be on camera.
- Students are to find a quiet and well-lit space for the session.
- Students are to avoid pointing the camera into their personal living space.
- Students are to ensure that their microphone and camera are on and working.
- Students will use their Niagara Catholic Google account credentials (@niagaracatholic.ca username and password) to enter the session.

DURING a synchronous learning session...

- Students are expected to follow the instructions of the teacher or staff member.
- Students are to follow the expectations in the Board Code of Conduct which applies to all schools and the online virtual Catholic classroom.
- Students must be respectful, use appropriate language and behave at all times.
- Students are not permitted to record the session.
- Students are to mute their microphone if they are not speaking.
- Students will request to speak by using the chat tool associated with the online platform.
- Students are to let their teacher know if they need to leave a session.
- Students may turn on closed captioning to help with understanding the presentation and discussion.

AFTER a synchronous learning session...

- Students must exit the session as directed by the teacher or staff member. The teacher or staff member will be the last participant to exit and close the session.
- Students and/or parents/guardians are asked to follow-up with the teacher or staff member with any questions or concerns.

Parents/guardians can support synchronous learning by:

- Providing a quiet, confidential learning space within their home and by supporting student(s) to actively engage with school staff in the continuity of learning.
- Ensuring that a computer/device is in working order for their student(s) to use for the online synchronous learning session, including audio and/or video, and that other screens or programs are closed.
- Supporting the expectations for positive student behaviour throughout the entire online synchronous learning session.
- Understanding that the Niagara Catholic [Code of Conduct Policy \(#302.5.2\)](#), [Electronic Communications Systems \(Students\) Administrative Operational Procedures \(#301.5\)](#), [Electronic Communications Systems \(Employees\) Policy \(#201.12\)](#), [Privacy Policy \(#600.5\)](#) and other applicable Board policies and administrative operational procedures apply during synchronous learning and in the virtual Catholic classroom.
- Exercising discretion while supervising their student(s) engaging in online synchronous learning sessions with school staff and other students.
- Respecting confidentiality about any personal information that they may incidentally learn about other students in the classroom during online synchronous learning sessions.
- Ensuring that the online synchronous learning session is not recorded in any way, including screenshots.
- Supporting their student(s) in exiting the online synchronous learning session as directed by school staff.
- Connecting with school staff about the ongoing progress and achievement of their student(s).

COVID-19 INFORMATION

Daily COVID Self Screening

Every student and staff member must actively self-screen for COVID symptoms using the daily Permission Click form. This practice will continue until the Ministry of Education, the Ministry of Health, or Niagara Region Public Health state otherwise.

Self-Isolation and Preventing the Spread

Niagara Region Public Health has the most current information on self-isolation requirements. Please visit the Region's [COVID-19 self-assessment page](#) if you believe you may have been exposed. Public Health also has an excellent information section on protecting yourself and preventing the spread of COVID-19. [Check it out](#) for more information.

In order to prevent the spread of infection, students and staff who have signs/symptoms of COVID-19 and have failed the daily screening should not attend school and should go to their primary care provider or an assessment centre for testing. Direction will be provided by Niagara Region Public Health to those who have had an exposure to a confirmed case of COVID-19 or to those who have been diagnosed with COVID-19 and when they may return to school.

Students are to stay home if they are unwell and monitor their symptoms for a potential case of COVID-19. Any students or staff who have been advised that they are a close contact of a confirmed case of COVID-19 and are required to self-isolate must follow the instructions of Niagara Region Public Health.

Do you have any of the following right now?

- 1 Fever/chills
- 2 New cough or a cough that is getting worse
- 3 Difficulty breathing
- 4 Shortness of breath (even when sitting or walking regularly)
- 5 Sore throat
- 6 A runny or congested nose (not allergies)
- 7 Unusual level of fatigue
- 8 Unusual headache
- 9 Nausea / vomiting, diarrhea, or loss of appetite
- 10 Feeling unwell for an unknown reason

If the answer is **YES** to any of these, please leave this building and contact your health care professional immediately.

BISHOP'S MESSAGE

My dear friends,

As you begin a new school year, I ask you to stay close to Jesus who loves you so much and is your best friend. Stay close to Him, talk to Him, and act like Him, so that you will be able to do great things at your home, parish and school. Your Catholic school community will help you to do this each day. May God bless you and please pray for me as I will pray for each one of you.

Yours sincerely in Christ,

A handwritten signature in dark ink that reads "+ Gerard Bergie". The signature is written in a cursive style with a cross at the beginning.

Most Reverend Gerard Bergie, D.D.
Bishop of St. Catharines

POSITIVE SCHOOL CLIMATE AND BULLYING

CYBER-BULLYING

Bullying includes bullying by electronic means (cyber-bullying) including: (a) creating a webpage or a blog in which the creator assumes the identity of another person; (b) impersonating another person as the author of content or messages posted on the internet; and (c) communicating material electronically to more than one (1) individual or posting material on a website that may be accessed by one (1) or more individuals.

A positive Catholic school climate helps create an environment where every student can reach their potential. It is a place where students, staff members, and parents/guardians feel safe, and are safe, included, and accepted and all members of the school community demonstrate respect, fairness, and kindness in their interactions, building healthy relationships free from discrimination and harassment.

Bullying prevention is a whole school approach supporting expectations for a safe, caring, inclusive, and accepting school climate. It includes a shared understanding about the nature and underlying causes of bullying and its impact on the lives of individual students and the school community.

Under the leadership of Principals, teachers and other school staff members maintain order in the school, and are expected to hold everyone to the highest standard of respectful and responsible behaviour. Each school must have a Safe and Accepting Schools Team responsible for fostering a safe, inclusive and accepting school climate that should include at least one student, at least one: parent/guardian, teacher, support staff member, community partner, and the Principal/Designate.

The Board recognizes the importance of dealing with bullying and any incident of bullying, which can have a significant impact on the safety of students, learning and school climate. As a result, bullying is one of the activities for which suspension must be considered.

For more information about issues of bullying, visit the Promoting Relationships and Eliminating Violence Network (PREVNet) at www.prevnet.ca.

WHAT SHOULD I DO IF I AM BULLIED?

- Talk to an adult you trust.
- Stay close to other students or adults who will stick up for you.
- Stay in areas where you feel safe.
- Walk away.
- Use your words to ask someone who is bullying to “STOP”.

WHAT SHOULD I DO IF I AM CYBER-BULLIED?

Cyberbullying is different from other forms of bullying. It can:

- spread to many people very quickly
- be done anonymously
- remain posted online for an indefinite period of time

POSITIVE SCHOOL CLIMATE AND BULLYING

- have a negative effect on the school climate, even when it originates off school property.

Spending less time on social media or checking texts and emails, for example, and more time interacting with real people, can help you distance yourself from online bullies. It can also help to reduce anxiety, depression, and feelings of loneliness.

As well as seeking support, managing stress, and spending time with people and activities that bring you pleasure, the following tips can help:

- **Don't respond to any messages or posts** written about you, no matter how hurtful or untrue. Responding will only make the situation worse and provoking a reaction from you is exactly what the cyberbullies want.
- **Don't seek revenge** on a cyberbully by becoming a cyberbully yourself. Again, it will only make the problem worse and could result in serious legal consequences for you. If you wouldn't say it in person, don't say it online.
- **Save the evidence of the cyberbullying**, keep abusive text messages or a screenshot of a webpage, for example, and then report them to a trusted adult. If you don't report incidents, the cyberbully will often become more aggressive.
- **Report threats of harm** and inappropriate messages to a teacher, Principal or the Police.
- **Prevent communication from the cyberbully**, by blocking their email address, cell phone number, and deleting them from social media contacts.

I KNOW THAT A FRIEND IS BEING BULLIED. WHAT SHOULD I DO?

Report it to an adult at school who can help. Reporting is standing up for your rights and the rights of others to feel safe.

WHAT WILL HAPPEN WHEN BULLYING IS REPORTED?

The benefit of reporting bullying issues is that the student who is bullying is no longer in control. When teachers and other school staff are aware of bullying, they can find ways to help the student who is bullying to change his/her behaviour.

Every situation will be dealt with on an individual basis. Some strategies that may be used to stop bullying will be restorative practices, counseling, and communication with parents/guardians, peer mediation, detentions, removal of privileges, suspension or police contact.

HOW SERIOUSLY ARE THREATS TAKEN?

All threats and attempts to intimidate others will be taken seriously and investigated. Appropriate steps will be taken to ensure that the behaviour stops and students feel safe.

SURVEILLANCE CAMERAS

For the protection of students and staff, Niagara Catholic District School Board Secondary Schools have surveillance cameras that monitor the main school building and sections of the school grounds on a 24 hour basis.

POPE FRANCIS' FIVE FINGER PRAYER

1.) THE THUMB IS THE CLOSEST FINGER TO YOU. SO START PRAYING FOR THOSE WHO ARE CLOSEST TO YOU. THEY ARE THE PERSONS EASIEST TO REMEMBER. TO PRAY FOR OUR NEAR ONES IS A "SWEET OBLIGATION."

2.) THE NEXT FINGER IS THE INDEX. PRAY FOR THOSE WHO TEACH YOU, INSPIRE YOU AND HEAL YOU. THEY NEED THE SUPPORT AND WISDOM TO SHOW DIRECTION TO OTHERS. ALWAYS KEEP THEM IN YOUR PRAYERS.

3.) THE FOLLOWING FINGER IS THE TALLEST. IT REMINDS US OF OUR LEADERS, THE GOVERNORS AND THOSE WHO HAVE AUTHORITY. THEY NEED GOD'S GUIDANCE.

4.) THE FOURTH FINGER IS THE RING FINGER. EVEN THOUGH IT MAY SURPRISE YOU, IT IS OUR WEAKEST FINGER. IT SHOULD REMIND US TO PRAY FOR THE WEAKEST, THE SICK OR THOSE PLAGUED BY PROBLEMS. THEY NEED YOUR PRAYERS.

5.) AND FINALLY WE HAVE OUR SMALLEST FINGER, THE SMALLEST OF ALL. YOUR PINKIE SHOULD REMIND YOU TO PRAY FOR YOURSELF. WHEN YOU ARE DONE PRAYING FOR THE OTHER FOUR GROUPS, YOU WILL BE ABLE TO SEE YOUR OWN NEEDS BUT IN THE PROPER PERSPECTIVE. AND ALSO YOU WILL BE ABLE TO PRAY FOR YOUR OWN NEEDS IN A BETTER WAY.

RELIGION AND CHRISTIAN COMMUNITY SERVICE

Religious Education Department staff will verify that the identified service activity meets the criteria of Christian Community Service, approve the Completion of Christian Community Services Activities Form, and forward the forms to Student Services to input the completed hours into the student's Maplewood profile.

Community Sponsors are responsible for providing a safe environment and the appropriate training, equipment and preparation for students who will be under their supervision. They must be aware of the "ineligible activities" as outlined in the Board's Information Brochure. The person (not parent/guardian) supervising the student's activity must verify the date(s) and number of hours completed on the Completion of Christian Community Services Activities' Form found on the Catholic Secondary School's website.

Principals, in co-operation with the Religion and Student Services Departments, are responsible for sharing information and documentation with students, parents and the broader community, approving special requests, and ensuring that completed Christian Community Service hours are entered on a student's official transcript and report card.

ASSESSMENT, EVALUATION, REPORTING, AND HOMEWORK POLICY #301.10

The Niagara Catholic District School Board acknowledges that the primary purpose of assessment, evaluation, and reporting is to improve student learning and achievement for all students. The Board promotes a family-friendly approach to homework to support the learning, achievement and well-being of all students.

Assessment is the process of gathering information, from observations, conversations and student products to demonstrate how well a student is achieving the curriculum expectations and to improve student learning.

To ensure that assessment, evaluation and reporting practices are valid and reliable to improve the learning of all students, educators will use assessment, evaluation and reporting practices and procedures that support all students and:

- are fair, transparent, and equitable for all students;
- are carefully planned to relate to the curriculum expectations and learning goals, the Ontario Catholic School Graduate Expectations, and, as much as possible, to the interests, learning styles and preferences, needs and experiences of each student so that all students can become self-directed, responsible, lifelong learners;
- are communicated clearly to students and parents/guardians at the beginning of the school year/course and at other appropriate points throughout the school year/course;

This information is based on curricular expectations, performance standards, instruction, and, assessment and evaluation practices informed by the professional judgement of the educator to support improvement in learning, the

ASSESSMENT, EVALUATION, AND ACADEMIC INTEGRITY

achievement of Kindergarten to Grade 12 expectations, and Learning and Work Habits for students in Grades 1 to 12.

The Niagara Catholic District School Board upholds the value of academic integrity as a commitment to honesty, trust, and fairness for all members of its educational community.

CHEATING AND PLAGIARISM

Cheating is broadly understood to mean offences against the academic integrity of the learning environment. This would include, but is not limited, to the following:

- Copying from another student or making information available to another student for the purpose of copying during a test/examination/quiz or for individual/group assignments;
- Failing to follow instructions of the presiding teacher during an examination;
- Submitting any written work (electronic or hard copy) in whole or in part which has been written by someone else;
- Using direct quotations or paraphrased material in any assignment without giving the proper acknowledgement.

Plagiarism is usually defined as presenting someone's words and ideas as one's own. It can take many forms, including the following:

- Submitting an essay/assignment written by someone else e.g., buying an essay online, downloading an essay from a free website, having someone else complete one's assignment or copying or using work done by another student (including homework);
- Piecing together material from one or several sources and adding only linking sentences;
- Quoting or paraphrasing material without citing the source of the material, including books, magazines or print from all electronic sources (videos, podcasts, etc.);
- Not providing quotation marks for direct quotations – even if sources have been cited.

It is the responsibility of students to practice academic integrity in all aspects of their school work so that the marks they receive are a true reflection of their own achievement. Students must understand that assessments completed and assignments submitted for evaluation must be their own work and that cheating and plagiarism will have consequences.

All confirmed incidents of cheating and/or plagiarism must be reported to the Principal/Vice-Principals, and parents/guardians by the classroom/subject teacher.

For students in grades 9 to 12, if a student is found to have intentionally cheated and/or plagiarized on a mid-term examination, or final examination, or any other assignment that is part of the thirty (30) per cent of the grade for final evaluation, the student will receive a mark of "0" on the evaluation and an opportunity to rewrite will not be provided.

ASSESSMENT, EVALUATION, AND ACADEMIC INTEGRITY

EDUCATION QUALITY AND ACCOUNTABILITY OFFICE (EQAO)

GRADE 9 ASSESSMENT OF MATHEMATICS

The Grade 9 assessment of mathematics evaluates the math skills that students are expected to have learned by the end of Grade 9, according to the Ontario Curriculum. Different versions of the assessment are administered in the academic and applied math courses. The assessments will be administered near the end of each semester according to administration dates set by EQAO.

ONTARIO SECONDARY SCHOOL LITERACY TEST (OSSLT)

The OSSLT evaluates the literacy skills students are expected to have learned across all subjects up to the end of Grade 9, according to the Ontario Curriculum. All students working toward an Ontario Secondary School Diploma (OSSD) must take the OSSLT. The OSSLT is a minimum-competency test. Successful completion of the OSSLT is the primary way to satisfy the literacy requirement for the OSSD. Students who are unsuccessful on the OSSLT have not satisfied the literacy requirement for graduation. Students may write the OSSLT more than once, however. Students who are unsuccessful on the OSSLT at least once may be eligible to take the Ontario Secondary School Literacy Course (OSSLC) in order to satisfy the literacy graduation requirement. For students who are unsuccessful on the OSSLT, it is particularly important for teachers and parents to discuss how to work together to close learning gaps before the end of high school.

VAPING

An e-cigarette is an electronic cigarette that is battery operated. It heats and turns e-juice into a vapour that one inhales. Is commonly referred to as vaping. It is not a tobacco product but may contain nicotine. The e-cigarette is perceived as safer and less harmful and acts as a gateway to tobacco cigarettes. It can lead to nicotine addiction and can be used for nicotine and other substances including marijuana. E-cigarettes contain chemicals that could be harmful (ultra-fine particles that can be inhaled deep into the lungs, flavorants such as diacetyl, a chemical linked to serious lung disease, and heavy metals, such as nickel, tin, and lead). All components of e-cigarettes (vapes) are prohibited to be sold to those under 19 years of age (including e-juice). Students who are caught vaping on school premises may be suspended. As of Oct. 17, 2018, it's prohibited to use an e-cigarette (vape) in public places according to the regulations of the Smoke-Free Ontario Act including schools, on school grounds, and in all public areas within 20 m of the school perimeter. TECHNOLOGY AND SOCIAL MEDIA

CELL PHONES

Students may use cell phones in the classroom with the teacher's permission for educational purposes. If a staff member observes misuse or abuse of the cell phone privilege, the phone may be given to the Vice Principal, who will arrange for the return of the phone and may receive a consequence. If a student repeatedly abuses the cell phone privilege, the student may be suspended for opposition to authority.

COMPUTER USE

Every member of the Niagara Catholic District School Board has two basic rights regarding computer use - privacy and a fair share of resources. It is unethical for any person to violate these rights with the exception of personnel authorized by the school or school board who may, on occasion, have due cause to examine files (e.g. for system maintenance, or to investigate improper use).

Interfering with the privacy of others, using an unfair share of computer resources, using computer resources in an illegal act, or using computer resources to harass or threaten another will result in disciplinary action which may include loss of computer privileges, withdrawal from class, loss of credit, suspension, police involvement and/or criminal charges.

ELECTRONIC COMMUNICATIONS SYSTEMS POLICY (STUDENTS) #301.5

Students are accountable for the appropriate use of the Board's communication systems in an ethical and appropriate educational manner, which must be in compliance with all relevant federal and provincial legislation the Education Statutes and Regulations of Ontario; Ontario Charter of Rights and Freedom; Ontario Code of Conduct; Ontario Human Rights Code and the Municipal Freedom of Information and Protection of Privacy Act and all relevant policies of the Niagara Catholic District School Board.

The Niagara Catholic District School Board recognizes that students may have in their possession personal electronic devices, such as cell phones, while at school or at school related activities.

Students are permitted to bring in personal electronic devices to be used in wireless enabled common areas throughout the school as approved by the administration and in classrooms where approved by the classroom teacher.

This policy governs the acceptable use of personal electronic systems by while at school. The use of these devices are prohibited where they are deemed to interfere with student learning. Academic and administrative staff at the school and/or at the Board level shall determine what, if any, use is interfering with learning.

The Ontario Code of Conduct, Niagara Catholic District School Board Code of Conduct Policy and school Code of Conduct provide disciplinary consequences for students who violate this Policy.

SOCIAL MEDIA

Social media can be a powerful tool in encouraging dialogue and in supporting learning. However, it is important to remember that electronic messages are not anonymous. These can be tracked, misdirected, manipulated and live forever on the Internet. Social media sites create and archive copies of every piece of content posted, even when deleted from online profiles. Once information is digitized, the author surrenders all control. The use of social media is not appropriate to address conflict.

When using social media, THINK Digital Discipleship:

T is for **Technology** as a Tool

Technology is more than a network of wires. Technology has provided us with the gift of social media, allowing us to communicate with networks of people.

H is for our **Human Family**

As humans interacting in the digital world, we need to consider how, when and what we communicate to others, including when to be silent and listen. We need to remember that we are all part of the human family and need to treat each other with dignity and respect online.

I is for **Information**

The digital world contains a growing amount of information that challenges us to be reflective and evaluative of what we are reading, viewing and sharing as Catholic people.

N is for **Neighbourliness**

Pope Francis describes the power of communication as "neighbourliness" - communication is about realizing we are all children of God and we should treat each other as neighbours, one family in Christ.

K is for **Knowledge**

As digital disciples, we know that how we interact online is a reflection of who we are as followers of Jesus Christ. We know that our interactions leave a digital footprint and therefore must promote unity and harmony for all those we encounter in the digital environment.

WIFI ACCESS

Secondary students will include the first two initials of their school followed by their edu\username. Example: Blessed Trinity = btedu\username

ACCESS TO SCHOOL PREMISES

ACCESS TO SCHOOL PREMISES POLICY #302.6.3

The safety of students, staff, parents/guardians and authorized persons is a priority of the Board. The Board policy identifies who is permitted on Board premises. The Board authorizes its administrators to exercise rights as occupiers under the provisions of the Trespass to Property Act to ensure the safety of all authorized persons. The Board authorizes administrators/supervisors to prohibit entry onto Board premises of any unauthorized person and to direct any unauthorized person to leave Board premises.

Persons authorized to be on Board premises are not entitled to have access to all areas of the premises. Access shall be restricted to areas authorized by an administrator, supervisor or by permit approved by the Facilities Services Department. The following persons are permitted to be on Board premises:

- A person enrolled as a student in the school.
- A parent/guardian of a student enrolled in the school.

- A person invited by the Administrator/Supervisor or another person authorized by Board policy to be on the Board premises for a specific purpose (i.e. Catholic School Council, NCPIC, SEAC)

1. Upon arrival, report to the main office/front desk:
 - Sign the Visitor's Book, stating name, time and reason for the visit.

- Any other person invited by the Administrator/Supervisor to attend an event, class or meeting.

STUDENT ATTENDANCE

The Board is committed to effective, regular and timely communication between the home and school in relation to student attendance, and has implemented the Niagara Catholic Safe Arrival system. It is an expectation that parents/guardians will be responsible to use the Niagara Catholic Safe Arrival system to report their child's late arrival or absence for part or all of the school day.

ABSENCE

Parents/guardians must contact the Safe Arrival system if your child is going to be absent from school for any reason. The Niagara Catholic Safe Arrival system is accessible to parents/guardians to report their child's late arrival or absence quickly and conveniently in one of three ways:

1. Telephone: Toll free number (1.844.287.6287)
2. Parent Portal website: <https://go.schoolmessenger.ca>
3. Free Smartphone App, "Safe Arrival"

a. REPORTED LATES/ABSENCES

When parents/guardians report their child's late arrival or absence, the late arrival or absence will be recorded and parents/guardians will receive confirmation through a text message or e-mail as provided by the parent/guardian in the Parent Portal. The automated system call-out will NOT be activated when a child's late arrival or absence has been reported.

b. UNREPORTED LATES/ABSENCES

If a student's late arrival or absence is unverified, parents/guardians will receive an automated communication by phone (home and mobile numbers), and/or text message/e-mail as provided and established in the Parent Portal, seeking verification of the late arrival or absence. Parents/guardians may then indicate the reason for the late arrival or absence through the automated system call-out.

BUS CANCELLATION AND SCHOOL CLOSURE

- When bus transportation is cancelled but schools are open, all parents/guardians are required to report their child's absence using the Niagara Catholic Safe Arrival system.
- When schools are closed by the Director of Education due to inclement weather or any other reason, parents/guardians are not required to report their child's absence.

Hybrid Attendance Expectations:

Similar expectations as for an in-person class. Students must be logged in for the entire time, be present and engaged. Students who do not log in will be marked absent. Leaving a virtual hybrid class requires permission from the teacher (eg. bathroom). If a teacher calls on a student and there is no response, the student will be marked absent.

E-Learning Attendance Expectations:

E-learning courses are asynchronous. They can be completed from home or from the school in designated locations (eg. library, cafeteria). Students will have to meet deadlines for submission of assignments. There is an expectation of daily contact between the student and teacher. Attendance requires contact with the student prior to the end of the school day. Contact may be determined by the student logging into D2L

STUDENT ATTENDANCE

Brightspace as evidenced by the class list, sending an email to the teacher, submitting work, a phone conversation with the student, synchronous instruction or any other form of active contact. If there is no direct contact, students are to be marked absent.

AGE OF MAJORITY

Before students can attain age of majority status, they, along with their parent/guardian, may be asked to complete an **Age of Majority Application** and submit it to their Vice-Principal. Once approved, students 18 years of age or older are permitted to report their attendance explaining their absences, lates and dismissals. All absences must be in accordance with acceptable reasons for missing school.

ATTENDANCE

Every person who attains the age of six years on or before the first school day in September in any year shall attend an elementary or secondary school on every school day from the first school day in September in that year until the person attains the age of 18 years.

Except in cases of emergency or absent on a day regarded as a holy day by the church or religious denomination to which he or she belongs, students should only be absent from class when they are too ill to attend: "a child is excused from attendance at school if the child is unable to attend school by reason of sickness or other unavoidable cause." (Education Act, Section 21).

When a parent requests that the child be excused from school, the Principal will make the final decision to excuse the student: "A pupil may be excused by the Principal from attendance at school temporarily at any time at the request of a parent of the pupil or the pupil where the pupil is an adult." (Reg. 298.23.(3)). Medical notes will be required if absences become excessive. The Attendance Policy will be initiated at 15 consecutive absences or patterns of absences or lates.

EXTENDED ABSENCE

If a parent/guardian wishes to request that a student be absent from school for an extended period of time, for example for holiday travel, the parent must make this request in writing to the Principal well in advance of the departure date.

The student must pick up a "Vacation/Extended Absence" form from the Attendance Office or Vice Principal and return the form signed by the parents and each of his or her teachers. If a "Vacation/Extended Absence" form is not used at the school, then any vacation or extended absence must be cleared with Administration.

The Principal may, under the powers of the Education Act, deny a request for extended absence. Extended absence will not be approved if it interferes with the student's presence for scheduled final examinations.

LATES - PERIOD ONE

Students arriving before 8:30 a.m. should proceed directly to class and be dealt with by the classroom teacher. Students arriving to school any time after 8:30 a.m. should come to the attendance office for an admit slip to present to their teacher upon arrival.

STUDENT ATTENDANCE

LATES - AFTER PERIOD ONE AND BEYOND

Students, who attended an earlier period within the day, who arrive within the first 30 minutes should proceed directly to class and be dealt with by the classroom teacher. Students arriving later than 30 minutes should arrive with an admit slip.

Students are considered to be late if they arrive to period one after the opening exercises have begun or arrive at any other scheduled class after the second bell for that class period. Students must report directly to their class; **NOT** to the Attendance Office.

- On the **first and second late** to class, the teacher assigns a consequence for the student (e.g. detention, assignment).
- On the **third late** to class, the teacher assigns a consequence for the student and parental contact is made.
- On the **fourth and subsequent lates** to class the teacher refers the student to the Vice Principal. Lunch and/or after-school detentions will be assigned. If the problem becomes persistent the student may be suspended or alternative consequences applied.

SIGNING IN – RETURNING TO SCHOOL FROM AN APPOINTMENT

In addition to reporting a late arrival in the Safe Arrival System, students must always physically “sign in” at the Attendance Office to be admitted to classes. Reasons for “signing in” must be reported by a parent/guardian and deemed legitimate by the Principal or Vice Principal.

SIGNING OUT - LEAVING DURING THE SCHOOL DAY

The student must physically “sign out” at the Attendance Office. In addition, the student must have parental/guardian permission that is reported through the Safe Arrival System before the student leaves the premises. Reasons for signing out must be deemed legitimate by administration. Students who do not physically sign out will receive an office detention. Age of majority students receive approval from administration prior to signing out. Students are asked to schedule appointments after 2:30 p.m. when possible.

SPARE PERIODS

Students on spare periods must be in full uniform and are expected to be in either the cafeteria, the Information Centre, or may leave school grounds. Students are not to wander about the halls, stairwells. Only senior students who have earned 24 credits are allowed to have a spare period on their timetables. Students are expected to use their spare period to advance their academic program.

WITHDRAWAL FROM SCHOOL

Withdrawing from school involves the following steps:

- Interview with Program Chair of Student Services
- Interview with the Principal/Vice-Principal
- Completion of “Student Withdrawal Form” with the following signatures: parent/guardian, subject teacher(s), guidance counselor, library technician, Principal/Vice-Principal
- Return of all textbooks, equipment and/or payment of debts incurred throughout their time at Niagara Catholic District School Board Secondary Schools.

ELEVATOR

An elevator is available for students who are physically unable to use the stairs, either for a short-term situation (e.g. leg injury) or on a regular basis. For those students who need use of the elevator on a temporary basis, arrangements are to be made with a secretary in the main office.

The LIC exists as a resource for the benefit of the entire school and any behaviour deemed detrimental to such a goal can result in the suspension of student privileges.

Any requests for another lock or lost lock will require the student to pay for a replacement.

MESSAGES

Messages from parents/guardians will be relayed to students at the end of the school day or at lunch, not during class. Emergencies, however, will always be dealt with promptly. We ask that parents/guardians refrain from contacting students on cell phones during class time.

STUDENT DROP-OFF / PICK-UP

We understand that not every student is bussed or walks to school and at intervals during the school year a student may need to be picked-up or dropped-off at school. Parents are asked to respect the traffic route established by entering our appropriate area for student drop-off/pick-up. At no time are vehicles to be parked in this zone as this represents a potential safety, emergency access, and congestion issue.

STUDENT PARKING

The school supplies bussing for student transportation and cannot provide sufficient parking for students who decide to drive to school. Unauthorized parking may result in the vehicle being towed away at the student's expense. Drivers are asked to keep their vehicles locked. We cannot assume responsibility for losses or damages. Students are not to sit in their vehicles during the school day or play music from their car radios. No smoking is permitted in vehicles at any time. Drivers should abide strictly by all traffic regulations. The speed limit in the parking lot is 10 km per hour. Parking privileges can be revoked at any time. Registration fees are collected from students to cover the cost of yearbooks, student handbooks, lock replacement, student card, some student activities, clubs, teams, and special events.

COMMUNITY AGENCIES/SERVICES

There are a variety of times when you, or someone close to you, may need help. During these times, in addition to parents/guardians and staff at the school, help is available from a variety of sources. In dealing with the issues, it is important that you are honest with the person you seek help from and inform them of all the facts. If someone you know is struggling, you have a moral responsibility to try to help them. If you are unable to provide help, inform someone who may be able to. Please refer to the Niagara Mental Health Programs and Services Directory section to obtain further information.

GUIDANCE

The guidance program is a vital and integral part of the total school curriculum. It is a composite of the school's instructional, counselling, consulting, coordinating and liaison activities that are designed and implemented to assist student orientation, program choices and preparation for the next level of education or entry into the world of work.

Students are counselled individually to review course selections, progress, educational and career plans. Group presentations may also take place throughout the school year regarding careers, post-secondary school planning, course selections and educational needs assessment. Individual counselling regarding personal and social concerns is provided when a need arises.

P3 PATHWAYS PREPARATION PROGRAM (HOMEWORK CLUB)

The needs of each individual exceptional pupil, whether behavioural, communicational, intellectual (including gifted), or physical, as defined by an Identification, Placement and Review Committee (IPRC) of the Board will be met.

Communication involving parents, resource persons, community agencies or others may occur in order to best determine student needs for programming. The program will be regularly assessed and evaluated with the results being communicated to parents on a regular basis.

EMERGENCY AND MEDICAL INFORMATION

ACCIDENTS

A student who is injured should be brought to the Main Office, if possible. In all cases, the Main Office must be notified and proper action taken. Under no circumstances should a student who has injured his/her back or neck be moved.

- That the medication be administered in a manner which allows for sensitivity and privacy and which encourages the pupil to take an appropriate level of responsibility for his or her medication.

ANAPHYLAXIS POLICY #302.1

Anaphylaxis is a severe life threatening form of allergic reaction. Anaphylactic reactions occur when the body's immune system overreacts in response to the presence of an allergen. An allergen is a substance capable of causing an allergic reaction (eg. foods, insect stings, latex, medications etc). The principal of the school should be informed in writing by a parent that a child suffers from anaphylaxis, the expected symptoms and the requested intervention by school staff. An EpiPen or other medication is to be provided to the school to be kept in the office in case of an emergency.

ASTHMA POLICY #302.9

Asthma is a common lung disease making it difficult to breathe. Employees of the Board may be pre authorized to administer medication or supervise a student while the student takes medication in response to an asthma exacerbation with the consent of the parent/guardian or student. If an employee of the Board has reason to believe that a student is experiencing an asthma exacerbation, the employee may administer asthma medication even if there is no authorization.

CONCUSSION POLICY #303.1

The Niagara Catholic District School Board recognizes concussions as a serious injury which requires appropriate follow-up measures to reduce risk of potential additional injury.

EMERGENCY AND MEDICAL INFORMATION

Concussion awareness, prevention, identification and management are a priority for the Board. The implementation of the Board's Concussion Policy and Administrative Guidelines is another important step in creating healthier schools in the Niagara Catholic District School Board. Immediate action must be taken by the individual (e.g. principal, teacher, coach) responsible for the student if the student receives a blow to the head, face or neck, or a blow to the body that transmits a force to the head.

DIABETES MANAGEMENT POLICY - 302.1.3

Diabetes is a disease of the pancreas where a person is unable to create insulin or use insulin that is produced. The ultimate responsibility for diabetes management rests with the parent(s)/guardian(s), the student, the principal and the medical practitioner. The policy outlines the procedures in developing a student diabetes management plan, including roles and responsibilities of school staff, parent(s)/guardian(s) and students and supporting documentation.

EPILEPSY POLICY - 302.1.4

Epilepsy is a common brain disorder characterized by recurrent seizures. The policy outlines the various types of seizures and symptoms as well as safety considerations for schools. An *Individual Plan of Care* to deal with emergency response situations should be put into place for individual students for all situations.

EMERGENCY PROCEDURES

FIRE

It is critical that everyone treats all fire alarms seriously and moves as quickly and orderly as possible to vacate the building immediately when an alarm sounds. Fire drills will be held regularly during the school year. Wilful false alarms are a criminal offence, and are punishable by a fine, a jail term or both. The Fire Department will prosecute offenders to the full extent of the law.

IF YOU HEAR THE FIRE ALARM

- Leave the building using the closest exit, or the exit route specified for the classroom and close doors
- If you encounter smoke in an exit, use an alternate exit
- Follow the directions of staff members
- Report to your teacher in the designated area and remain in that area until instructed to return to the building.

HOLD AND SECURE

Niagara Catholic District School Board Secondary Schools will also run random Hold and Secure drills. This drill is performed when a threat exists outside of the school and all members of our school community are kept indoors.

LOCK DOWN

At various times throughout the school year Niagara Catholic District School Board Secondary Schools will test emergency procedures by conducting Lock Down Drills. A school call out or letter will inform parents when these drills will occur. A lockdown is a drill simulating a threat inside the building.

INDIGENOUS EDUCATION

LAND ACKNOWLEDGEMENT INTRODUCTION

A Land Acknowledgement recognizes and demonstrates respect for First Nations, Métis and Inuit as the traditional stewards of Turtle Island (North America). It acknowledges the enduring relationship that continues between Indigenous Peoples and their traditional territories.

The Land Acknowledgement gives thanks to the First Peoples of Turtle Island for their role in caring for the land and all its resources since time immemorial.

Pronunciation Guide:

Haudenosaunee (*Hoe den o show nee*)

Anishinaabe (*Ah-nish-naa-bay*)

Métis (*May-tee*)

Inuit (*In-you-wheat*)

LAND ACKNOWLEDGEMENT

The Niagara Catholic District School Board wishes to honour the Indigenous people who have been the protectors of this land, known as Turtle Island, for more than ten thousand years.

We acknowledge that the land on which we gather is the traditional territory of the Haudenosaunee and Anishinaabe peoples, many of whom continue to live and work here today. This territory is covered by the Upper Canada Treaties and is within the land protected by the Dish With One Spoon Wampum agreement. Today this gathering place is home to many First Nations, Métis and Inuit peoples and acknowledging reminds us that our great standard of living is directly related to the resources and friendship of Indigenous people.

INDIGENOUS EDUCATION

What is Voluntary Indigenous Self-Identification for First Nations, Métis, and Inuit students?

Under Ontario's First Nations, Métis, and Inuit Education Policy Framework, Niagara Catholic District School Board encourages all Indigenous students to self-identify as part of a VOLUNTARY AND CONFIDENTIAL process. According to the Ministry of Education, the information will help school boards improve programs and supports for Indigenous students and enable them to focus their efforts on student achievement.

History of Indigenous Education through Niagara Catholic

In 2007 the Ministry of Education, under the Ontario First Nation, Métis and Inuit Education Policy Framework, identified Aboriginal* education as one of its key priorities with two specific goals: Improving First Nations, Métis, Inuit achievement among students; and to close the gap between Indigenous and non-Indigenous students in the following areas:

- literacy and numeracy,
- retention of students in school,
- graduation rates, and
- advancement to post-secondary studies.

In response to a Ministry directive, the Aboriginal Education Advisory Committee (AEAC) was established in Niagara in 2009. The Committee was renamed the *Indigenous Education Advisory Committee (IEAC)* in 2016. The IEAC is a partnership between Niagara Catholic District School Board and the District School Board of Niagara, supported by a number of community-based Indigenous partner agencies; including: Aboriginal Student Service Departments at Brock University and Niagara College, Fort Erie Native Friendship Centre, Inuit Council (Niagara Region), Niagara Chapter — Native Women Inc., Niagara Peninsula Aboriginal Area Management Board (NPAAMB), Niagara Region Métis Council, and Niagara Regional Native Centre.

* Note: the term *Aboriginal* continues to be used in some government documents, however, the preferred term among the Community is *Indigenous* when referring to people of Métis, Inuit and First Nations heritage.

Terms used to describe the original people of Turtle Island (North America) have evolved over time with some becoming outdated and others misunderstood. Here are some basic definitions to help students self-identify and promote general awareness.

INDIGENOUS EDUCATION

First Nations

First Nations refers to the original people on this land; separate from the Inuit. In Canada, the history of First Nations people is interwoven with the creation of the *Indian Act* (1876). People of First Nations heritage may be referred to as *Status* or *Non-Status*.

Status, refers to people who identify with a First Nation community-ancestral land and are registered with the government of Canada through the *Crown-Indigenous Relations and Northern Affairs Canada* (CIRNAC). *Non-Status*, refers to people who identify with a First Nation community-ancestral land but are not registered through CIRNAC.

* *There are more than 600 distinct First Nations and 50 First Languages across Canada.*

Métis

The Métis are a distinct Indigenous people with a unique history, culture, and language, creating their own customs, practices and traditions separate from their First Nations, Inuit, and European ancestors.

The term Métis refers specifically to people who have historic connection to Métis homeland. It does not refer to all individuals of mixed Indigenous and European heritage.

Inuit

Inuit have a variety of terms to describe themselves depending on their dialect or region. However, the term “Inuit” is commonly used as it means “the people” in Inuktitut which refers to the original people from the northern circumpolar regions that include Canada’s Arctic, Alaska, Greenland and Russia.

Why should students self-identify?

Niagara Catholic uses information gathered from the *voluntary* self-identification form to support Indigenous students through:

- Access to culturally relevant materials and programs in schools.
- Access to cultural events offered throughout the school year by our Indigenous partnership agencies; for example, Indigenous Career Day, Youth & Elders Conference, cultural camps, etc.
- Information about career and educational funding (bursary and grant) opportunities that are specific to individuals of Indigenous heritage.
- Gathering academic information that will help support the unique learning needs of Indigenous students within our schools.

To self-identify, please visit: <https://niagaracatholic.ca/indigenous-education/>

INDIGENOUS EDUCATION

Indigenous Lead

Niagara Catholic has an Indigenous Lead who supports the implementation of the [Ontario First Nation, Métis, and Inuit Education Policy Framework](#). Our Lead work closely with staff to support improved Indigenous student achievement and well-being and enhance the knowledge and awareness of all students about First Nation, Métis and Inuit cultures, histories and perspectives.

Niagara Catholic District School Board encourages parents/guardians of students who voluntarily self-identify to contact Niagara Catholic's Indigenous Lead to learn how children can participate in Indigenous cultural opportunities offered by the Board throughout the school year.

Parents who are interested in being a part of the Indigenous Education Advisory Committee (IEAC) representing the voice of Indigenous families in Niagara on behalf of students enrolled with Niagara Catholic District School Board are encouraged to contact our Indigenous Lead. Our Indigenous Lead can be contacted at Indigenous.Lead@ncdsb.com.

SPECIALIST HIGH SKILLS MAJOR

EXPERIENCE YOUR FUTURE TODAY!

WHAT IS AN SHSM?

The Specialist High Skills Major (SHSM) program, which is part of the Ministry of Education's Student Success initiative in the province of Ontario, has been introduced to offer province-wide specialized programs in specific ministry-identified sectors to support the success of all students. Ontario secondary schools are offering expanded programs to help meet students' individual learning styles and interests. These options include Dual Credits, Specialist High Skills Majors and Cooperative Education. These programs help to meet the needs, interests and strengths of all students, engaging them in learning and better preparing them for graduation and beyond.

Students who choose an SHSM designation learn through co-operative education and experiential learning placement within the community. Students who complete an SHSM designation can be confident when they leave high school that they are equipped with the knowledge, skills, and industry-recognized qualifications desired by employers and post-secondary institutions. Niagara Catholic is proud to be partnered with many local businesses and agencies within the Niagara Region to offer its students rich and diverse opportunities to gain practical experience and expertise in their chosen career fields.

Core Components

- **Bundled Credits:** Each SHSM program offers students a bundle of 8-10 Grade 11 and Grade 12 credits. The credits include: 4 "major" credits in their area of interest, English and Mathematics, other elective courses in Science, Business or Social Sciences that are designed to complement the major courses, and at least 2 co-op courses related to their SHSM.
- **Sector-Recognized Certifications:** Related to the major and selected from a list, both generic and specific to support the sector (i.e. WHMIS, First Aid, Fall Arrest).
- **Experiential Learning Opportunities:** Which includes: Job-shadowing, job-twinning, work experience, cooperative education, field trips and other workplace experiences for students to explore careers related to that sector.
- **Reach Ahead Experiences:** In the field and sectors considered as a post-secondary destination, ranging from a few hours to full courses (e.g. Dual Credit program).

WHAT IS AN SHSM?

What advantages do SHSM students have?

- HEAR and SEE ...first-hand what a career in their sector feels and looks like
- NETWORK... with post-secondary institutions, local industries, and businesses
- GAIN... confidence in their ability to succeed
- COMPLETE... industry recognized certifications and training
- OPEN... doors for summer jobs and future employment
- EARN... a Red Seal designation on their OSSD

What does the Red Seal mean?

- Employers and post-secondary institutions recognize that a student has participated in specialized, career focused programming.
- SHSM students receive an additional transcript outlining their accomplishments.

Can I register to be a SHSM student even if I am doubtful that I will complete all the required components?

- Yes, if you are interested in a possible career related to a SHSM sector, you can register for that SHSM.
- Even if you do not complete all the components of the SHSM, you will still benefit from certification training, field trips and other learning experiences related to the SHSM. You will also receive a summary of all your completed SHSM components when you graduate.

I am in grade 12. I have not taken some of the grade 11 courses specified in the SHSM pathway chart. Can I still get my SHSM designation?

- You will not get your SHSM designation until you have completed ALL the courses in the SHSM pathway chart both in grade 11 and grade 12. You can speak to your guidance counsellor for more information.

WHAT IS AN SHSM?

Can I return for an additional term and complete my SHSM after I graduate?

- Yes, you can complete your SHSM any time after you graduate.
- Upon completion of the required components, you will receive an official SHSM summary sheet showing that you completed the SHSM.

I am a university-bound student who needs specific courses. How can I fit a co-op course in my timetable?

- You have several options: after school co-op, summer co-op, or you can take a grade 11 SHSM major course during grade 10. This will leave two credits open for co-op in grade 12.

How are SHSM students at an advantage in their application to University?

- Many post-secondary applications to University have opportunities for supplemental applications. There are programs that traditionally require portfolios and/or interviews. Many of these are in the Arts which would be an advantage for the Arts and Culture SHSM. Some programs in Radio and Broadcasting, Communications, Journalism, Business and Architecture also require supplemental information.

What if after starting the program the student decides this is not for them?

- All credits earned in an SHSM program count towards the completion of a standard OSSD.
- Any certifications or training gained will hold students in good standing for part-time jobs or work placements.
- Co-op is a valuable experience, allowing a student to discover what they like doing and just as importantly, what they don't like doing.

Please see your school Guidance Department for more information.

CREATING PATHWAYS TO SUCCESS:

*An Education and Career/Life Planning Program for Ontario Schools
(Ministry of Education, Policy and Program Requirements, Kindergarten to Grade 12 - 2013)*

Creating Pathways to Success sets out the career development policy and program for Ontario schools from Kindergarten to Grade 12. The program is designed to help students achieve their personal goals and become competent, successful, and contributing members of society. This policy describes a whole-school approach that is delivered through classroom instruction linked to the curriculum and through broader school programs and activities- including experiential learning opportunities.

The planning framework introduced in the document focuses on students' self-discovery and self-knowledge and on their creative use of this knowledge in the exploration of opportunities and the planning of pathways for education, career, and life. **Creating Pathways to Success puts students at the center of their own learning, viewing them as the architects of their own lives.** Students are encouraged to discover who they are, explore opportunities, pursue their passions, and design personal pathways to success. They are encouraged to express their insights in individual ways and to keep track of what they discover about themselves and their interests, passions, and opportunities over time.
